Dear [Renter's First Name],

I wanted to share a quick tip that could save you a lot of stress in the future: renters insurance. While I don't require it, I highly recommend getting coverage in case of unexpected events like fire or theft.

Renters insurance protects you, your belongings, and your peace of mind. Most policies are very affordable (\$10-20/month) and cover things like property damage and temporary housing if needed. I can recommend some trusted providers if you're not sure where to start.

Sincerely,
